

**The
BIG SCREEN
Company**

RT20 LED Super Screen

**Race-Tech supply high quality LED Super Screens
Hire and Purchase options are available**

The RT20 uses Barco's 10XP technology with visual 10mm resolution
This higher resolution per square metre, allows customers to get closer to this unobtrusive Super Screen

This innovative new portable LED screen is operable within minutes
and can be easily positioned when compared to other LED screens
